

Finishing and Decoration

Customise your doorset to suit your interior design

As standard, at no additional cost, the doorset is powder-coated to a RAL colour of your choice; ready to be installed, overpainted or wallpapered.

RAL Painted *Textured* Matt finish

The fully-concealed look

The 'Textured' matt finish is provided in a standard RAL colour. Leave unpainted or emulsion paint with the rest of the wall to conceal the door.

RAL Painted *Smooth* Satin finish

No need for extra decoration

The 'Smooth' finish comes ready-painted in the RAL colour of your choice. A hard-wearing satin finish, straight out of the box!

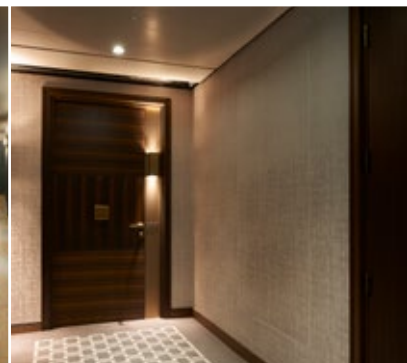

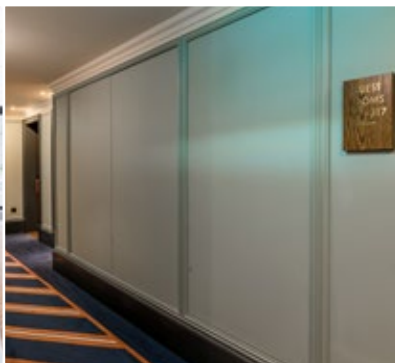

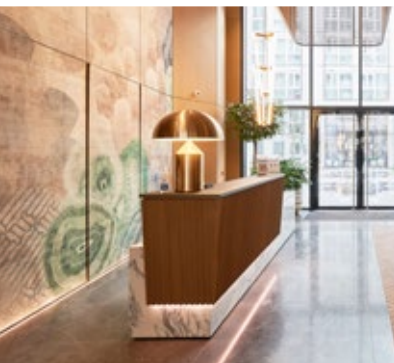

Wallpapered Applied on-site

Match your surrounding decor

A specially designed system to accommodate wallpaper coverage.* This option requires a textured finish to enhance the adhesive bond.

*Wallpaper fire rating suitability assessment required.
